

School of
Cinema-Television

Division of Film-Television
Production

05/15/02

Steve,

On behalf of USC's Cinema and Television Program, I would like to welcome you to our part time faculty. Your guidance and insight have proven invaluable to our students, becoming immediately evident in the increased quality of performances in our students films.

After your first year at USC it has become quite apparent that your talent as an actor is only equaled by you talent as a teacher. The students and school are lucky to have you.

Sincerely,

A handwritten signature in cursive script, appearing to read "Sheldon Wilson", is written over a light blue horizontal line.

Sheldon Wilson
Professor of Cinema Studies
University of Southern California
